Trivium

Welcome to Broadstreet Infamous Whiskey where we're stirring up trouble in downtown Greensboro, Georgia, right smack in the heart of Lake Oconee! We're blending Georgia's moonshine swagger with Kentucky's distilling finesse because why settle for ordinary?

Our bourbon is the most putt-sinking, line-casting, 12-point huntin', tailgate sippin', ride-or-die sidekick on the market. Crafted with a commitment to quality and a dash of rebellion, our artisanal pours are made for peeps who know how to enjoy life.

Legacy Series Bourbon (92 proof, \$42.99):
A four-year-aged, three-grain blend offers a smooth sip with rich oak, ginger spice, and vanilla finish.

Summer Wheat Bourbon (99 proof, \$54.99):
A four-year-aged, four-grain bourbon with 22.5% seasonal wheat, offering hints of toasted vanilla bean, subtle fruits and malted barley aromas.

Prohibition Proof Bourbon (109 proof, \$79.99):
An eight-year-aged, high-proof, three-grain blend with notes of caramel apple, vanilla, dried fruit, and a butterscotch and cinnamon finish.

"When we say this is good, we mean this is good! Super sweet caramel. It's rich. Great mouthfeel. It's fantastic!"
